NOTE.—No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published. A list of the Appointments, &c., which have taken place between the 18th and the 21st ultimo inclusive will be found at page 453.

Officers on the Retired List who have commuted their Retired Pay, and Officers of the Royal Marines retired on Gratuities, must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

Officers of late Royal Naval Artillery Volunteers must send in annually to the Secretary of the Admiralty, between 1st January and 31st March, a notification of their being alive, otherwise their names will be removed from the List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The EDITOR of the Navy List will be glad to receive any communications in reference to omissions or errors in the List, addressed to him at the ADMIRALTY, WHITEHALL, LONDON, and such communications should be marked "On Her Majesty's Service."

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.

By Command of their Lordships,

EVAN MACGREGOR

NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c., required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to such retired Officers as may be in the opinion of the Admiralty most deserving, provided they have the necessary service, &c., required to render them eligible as shown at page 813 of the Queen's Regulations and Admiralty Instructions of 1893.

LIST OF THE STEAM SHIPS AND VESSELS OF THE ROYAL NAVY ENGAGED IN THE NAVAL MANŒUVRES JULY, 1899.

(The Ships are arranged alphabetically. The numbering has no reference to the numbers of Ships on the List of the Royal Navy, being only used to indicate where Officers are serving.)

S. denotes Screw.

* *—The Tonnage given are the weights in Tons. The figures showing the Horse Power of Ships have been revised; they now show the Natural Draught Powers as defined by recent Admiralty orders and also the powers that may be expected to be obtained with Forced Draught in ships so fitted.

The principal reductions shown occur in the cases of Ships with low pressure boilers on which the use of the Steam Blast has been discontinued.

NOTE.—The letters N.D. against I.H.P. denote Natural Draught Power. The Forced Draught Power is shown in brackets in italics with the letters F.D. prefixed.

All Officers whose names are in italics are borne as supernumeraries or additional.

(G) or (G*) against an officer's name denotes he is borne for Gunnery duties.

(T) that he is a Torpedo Lieutenant or Torpedo Gunner borne for Torpedo duties.

(N) that he is an executive officer borne for Navigating duties.

(S) that he is a Boatswain borne for Signal duties.
